

How does the Worldwide Dental Emergency Assistance Scheme work?

Whilst a member of the dental plan, should you suffer a dental trauma, a dental emergency or be diagnosed with oral cancer you will be eligible to make a request for assistance from the Worldwide Dental Emergency Assistance Scheme. The Scheme responds to such requests on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, the Scheme has no obligation to provide any benefit unless the Scheme Manager (the person appointed to administer the Scheme) first decides (in its sole and absolute discretion) that the Scheme should provide a benefit. There are some circumstances in which the Scheme is not designed to help (these situations being similar to exclusions under an insurance policy) and these are explained in more detail in the Worldwide Dental Emergency Assistance Scheme Handbook. The Scheme Manager will look at each case individually to assess the request for a benefit. Certain restrictions and limitations may apply in the event that your request for assistance is accepted and it is possible that in some cases the Scheme Manager will decide to provide no benefit.

If your request for assistance is accepted by the Scheme Manager you will be eligible to receive benefit payments from the Scheme in the following situations (up to the limits set by the Scheme and published from time to time):

- ✓ The cost of dental treatment by any dentist up to a maximum of £10,000 for any one incident of dental trauma
- ✓ The cost of:
 - emergency call-outs
 - pain relief or emergency temporary treatment
- ✓ A specified amount for each complete 24-hour period of hospitalisation wholly or partly under the care of a consultant who specialises in dental or maxillofacial surgery
- ✓ A specified amount if you are diagnosed with oral cancer and this is the primary cancer site

You will also have 24 hour access to a worldwide dental emergency helpline.

Please refer to the Worldwide Dental Emergency Assistance Scheme Handbook for full details.

Geans Dental Health Plan

Geans Dental will provide top professional Dental care in a relaxed comfortable “state of the art” environment. We are committed to continuing education and keep up to date with the latest advances in modern dentistry.

Research shows that preventive dentistry delivered on a regular basis greatly reduces the risk of dental disease and provides a platform for a lifetime of improved oral health. We encourage such an approach and with this in mind we have joined with DPAS Limited to design a dental plan to reward loyal patients. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide the best chance of keeping you dentally fit. The advantage for you is that it should reduce the need for future treatment and you will have the peace of mind that all of your preventive dental care will be covered by convenient monthly payments. Upon joining the dental plan, you will also be eligible to request assistance from the Worldwide Dental Emergency Assistance Scheme for dental emergencies or dental traumas whilst at home or abroad (see overleaf).

Health plan benefits

- all your preventive dental care is included
- payment by convenient monthly Direct Debit, allowing you to budget
- After your initial assessment your dentist will advise as to the best plan to suit your dental needs
- early identification of dental problems to prevent pain, discomfort and inconvenience
- appointment times to suit you whenever possible
- 10% off treatment fees*
- priority booking in the event of a dental emergency

Who is our plan for?

How do you join our plan?

Joining is very simple. After your initial assessment your dentist will advise as to the best plan to suit your dental needs. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment.

Given the benefits you enjoy as part of our plan we respectfully ask that you are committed to our plan for a minimum of 12 months, if you leave the plan during this time you may be required to pay in full for any benefits or discounts received. Thereafter one month's notice is required.
